

SO THIS IS ME...

JIM JOHNSON

Hello there, my name is **Jim Johnson** and I was born in London, Ontario. I am a student at Super High School and I love it.
My most recent trip was to Ottawa. When I was there I really enjoyed playing soccer in a park right in the middle of Ottawa, it was a great experience.

If I could own only three pieces of technology this is what they would be:

1. An ipad: This would be purely for fun. I would use it for
2. My laptop: I need it for homework and I love playing video games....
3. My cell phone: I like to keep in touch with]

Although it isn't available yet, I would really like to one day own a self-driving car.
I would really like one of these because.....

This is a link to where you can read more about this technology:
