If your group had 20 marks to divide amongst your members, how many marks would you get? _____

(if you're in a group of 4 and everyone has been contributing equally then you'd put down 5 since 20 divided equally amongst your members is 5)

What is the reason that you have been contributing or not contributing to your group?

What are you going to do to make sure that you either improve your contributions to the group, or keep them up at a high level?
